

The Coaches' Forum

The Coaches' Forum is an international community of interest for coaches, leaders who coach and HR professionals to explore ideas and insights as an extension to their personal and professional development.

Participants have a choice (to accommodate different time zones) to meet on the fourth Thursday at 8:00 – 10:00 am (UK time) or on the fourth Friday at 14:00 - 16:00 (UK time) of each month.

We use a digital platform, supported by a members only LinkedIn group.

Our approach rests on a few core principles:

- Participants set the topics and agenda for each session
- Participants agree how they will use and share the air time
- Topics for discussion may be introduced as informally or formally as people choose
- Participants agree what record / note-taking is made of the discussion
- There is no overt or hard selling
